Dear W

Break, I realize that the WESD family is real; each of us are a part of this family and we must take care of each other. I know that many of our families and staff members continue to face challenges. Please remember that the WESD is here to support you, your child and your family. Please do not hesitate to reach out for assistance. I know the future may be uncertain, but together we can do anything. We look forward to seeing your child in the online learning model tomorrow, Monday, January 4th.

This communication contains the following information:

- Maricopa County Benchmarks;
- Grab and Go Resumes Tomorrow, January 4; and
- WESD Hiring Opportunities.

Maricopa County Benchmarks

The spread in Maricopa County remains at a substantial level. In WESD, all three indicators remain in the red. With the continued spread of COVID-19 in our community, we will continue in the online learning model through the beginning of the new year and will monitor the benchmarks on a regular basis.

Please continue to do what you can to slow the spread of COVID-19 in our community by staying home when you're sick, wearing a mask, washing your hands frequently, keeping your distance and not gathering in large groups. By following these steps, you can reduce your chances of catching the virus and/or spreading it to someone else.

Grab and Go Meals

The weekly Grab and Go meal program resumes tomorrow Monday, January 4 from 6:30 to 10:30 a.m. Families will pick up seven breakfasts, seven lunches and five snacks per child. Meals are available for free for all children age 18 and younger.

For more information or special dietary needs, contact Nicole Augustine at 602-896-5240 or Nicole.Augustine@wesdschools.org.

Puntos de Referencia del Condado Maricopa

La propagación en el Condado Maricopa permanece en un nivel significativo. En el WESD, todos los tres indicadores permanecen en rojo. Con la propagación continua de COVID-19 en nuestra comunidad, continuaremos en el modelo de aprendizaje en línea por el comienzo del nuevo año y monitorizaremos los puntos de referencia con regularidad.

Favor de continuar haciendo lo que puedan para minimizar la propagación del COVID-19 en nuestra comunidad al quedarse en casa cuando estén enfermos, vestir una mascarilla, lavarse sus manos frecuentemente, mantener distanciamiento y no reunirse en grupos grandes. Al seguir estos pasos, pueden reducir sus probabilidades de contraer el virus y/o contagiar a otra persona.

Comidas para Recoger Rápidamente

El programa semanal para Recoger Comida Rápidamente reanuda mañana, lunes, 4 de enero de 6:30 a 10:30 a.m.
