February 25, 2022

Dear WESD Families and Staff,

In case you missed it, our February Employees of the Month were announced yesterday on social media – eight employees from throughout the WESD who exemplify the district's mission and vision. I enjoy these posts because not only do they shine a light on our wonderful staff members, but they also convey what we mean when we talk about the WESD Family. As of this writing, nearly 80 people have left congratulatory comments, 140 people have liked/loved the post and the post itself has been shared. This communication contains updates regarding:

- x Aggregate Expenditure Limit (AEL) Update;
- x Raz-Plus Challenge to Feed Families
- x Open House for ELA Curriculum Review;
- x Online ParentVUE Activation;
- x Nutrition Services Job Fairs;
- x COVID-19 Update; and
- x Health Dashboard.

Aggregate Expenditure Limit Update

In our last two weekly updates, we shared information about the Aggregate Expenditure Limit (AEL), which affects budgets of public school districts across Arizona. In the last 10 days, both the House and the Senate voted to allow schools to use their current budget for the remainder of the year. This action prevents a \$1.2 billion cut for school districts statewide. We thank our legislators for raising the AEL for the remainder of the year.

Raz-Plus Challenge to Feed Families

Attention families with Raz-Plus readers! Beginning Monday, February 28 students will have the option to donate the stars they've earned in their Raz-Plus activities to families in need. To earn stars, students participate in activities to strengthen literacy skills such as reading books, taking quizzes and more! In order to participate in this challenge, students must donate the stars they've earned through the KidsPArtal. Students can use this tool to expand their reading fluency, comprehension and knowledge at home! What a fun way to grow as a reader and help those in need. For more information, [visit this page](#)

Open House for ELA Curriculum Materials Review

WESD is in the process of reviewing and adopting English Language Arts (ELA) materials to support teachers with instruction in reading, writing, grammar, spelling, and vocabulary to enhance student achievement.

The ELA Curriculum Adoption Committee is hosting an open house on March 2nd and 4th from 3:30 to 5:30 p.m. for
