### First Week of Hybrid Model

I'm happy to report that we had a great first week of learning in our Hybrid A/B and Online Distance Learning Models. I would like to commend all of our students, teachers, staff and administrators who were on campus this week following our mitigation procedures: social distancing, wearing face masks, washing their hands frequently and completing their health assessments at home before arriving to school.

### Virtual Parent/Teacher Conference and Early Release Dates

Tuesday, October 27 through Friday, October 30 will be early release days for all students – hybrid and online distance learning – for virtual Parent/Teacher Conferences. Schools will follow their Wednesday early release schedules on these dates. You will meet with your child's first quarter teacher to review his or her progress in the first nine weeks of the school year. If you have questions about conferences or report cards, please contact your child's teacher or your child's school.

Curbside meals are now available Monday through Friday from 11:30 a.m. to 12:30 p.m. for hybrid students who aren't on campus for instruction that day, online distance learners, younger siblings, and non-WESD students. Meals continue to be free for all children age 18 and younger. Parents/guardians can pick up meals for children at any Grab and Go location.

## County Metrics for October 22

The Maricopa County metrics released yesterday (at the end of this letter) indicate the WESD should remain in the Learning Model. It is important that we all do our part to reduce the spread so that we can continue to keep our campus open for inperson instruction. \*\*Please remember to:

- x Always wear a face mask when out in public;
- x Frequently wash your hands with soap and water or use alcohol based hand sanitizer;
- x Keep at least six feet of distance from others when out in public;
- x Always stay home when you are sick;
- x Avoid large group gatherings.
