Dear Families and Staff,

I hope that you had an enjoyable Thanksgiving. While this has been a challenging year, I believe we have ma people for which to be thankful. At the top is the WESD Family – our students, our caring and committed teachers, administrators and staff, and our supportive and understanding families and community members. Thank you for choosing the WESD and working with us during this unprecedented time.

Maricopa County Benchmarks

Maricopa County continues to see substantial spread of COVID-19. In WESD, the cases per 100,000 and the percent positivity have increased since last week (see below).

Please continue to do what you can to slow the spread of COVID-19 in our community: staying home when you're sick, wearing a mask, washing your hands frequently, keeping your distance and not gathering in large groups.

Who to Contact

We know that times have been challenging and you may have some questions about your child's education. These folks below are here to help you.
