Dear Parents and Guardians,

In an effort to continually communicate with our families, we want to provide you with a brief update about resources for families, a change in Grab and Go Meal Times, a change in packet pickup times, collecting personal items from school, field trip refunds and the new P-EBT program.

## **Resources for Families**

During these fluid times, our families, students and staff are first on our minds. We know everyone has been impacted in different ways and we are providing a few resources in each update. If you need assistance, please reach out to your child's teacher, school social worker, principal, or utilize some of the resources below. The Web site, **arizonatogether.org**, provides many resources for families including mental health, employment, financial assistance, community resources and options for Internet access. The Web site, **211arizona.org** also provides resources for families including clothing, housing, health and dental, support groups and family services. Teen LifeLine is a resource for students who may need someone to reach out to. They can be reached at <a href="www.teenlifeline.org">www.teenlifeline.org</a> or 602-248-8336. For parents who need emotional support, the National Parent Helpline is available at 1-855-427-2736. The WESD Social Services Department, including school social workers, are available through email or voicemail. Their contact information can be found on each school's website.

If you have any questions or are in need of resources, please email our Social Services Department at <u>socialservices@wesdschools.org</u> or call 602-347-2636.

## **Grab and Go Meal Program Time Change**

In our first five weeks, WESD has served <u>over 300,000 meals!</u> We recently moved to pick up once a week, where students receive five days worth of food. Due to the rising tempriprising communated the students receive five days worth of food.
