Dear WESD Parents and Guardians,

Re-opening Update for 2020-2021; and the  
July Summer Grab and Go Locations, Dates and Times.

## Re-opening Update

I continue to thank you for your patience during these very fluid times. We are human beings trying to work together and plan for uncertainties. The Governor recently issued Executive Order 2020-44, which states that all schools shall delay the start of IN-PERSON classes until August 17, 2020, but schools may begin the school year on their regular start date through DISTANCE LEARNING. WESD is planning on opening schools on August 10. Our team is planning on how that will work for our families and staff.

We will be reviewing our plan with the WESD Governing Board on July 9 during the Governing Board meeting. It will include plans for health and wellness, social and emotional supports, instruction (both distance learning and face-to-face), nutrition, technology, transportation, personnel and communication.

beginning at 7:00 p.m. If you wish to view the meeting and provide feedback, go to our WESD website ([www.wesdschools.org](http://www.wesdschools.org)) Thursday night and click on Governing Board and then Board Agendas. You will be able to provide feedback during the livestream in the Q&A function of Microsoft Teams. If you are unable to view the livestream, you can provide your feedback to Shannon Tucker at [Shannon.tucker@wesdschools.org](mailto:Shannon.tucker@wesdschools.org) or call 602-347-2657 no later than noon the day of the meeting.

Estimados Padres y Guardianes del WESD,

La actualización de esta semana incluye:

Actualización de la Reapertura para el 2020-2021; y los  
Lugares, Fechas y Horarios para Recoger Comida Rápidamente de Julio.

### Actualización de la Reapertura

Continúo agradeciéndoles por su paciencia durante estos tiempos muy fluidos. Somos seres humanos tratando de trabajar unidos y planear para incertidumbres. Recientemente el Gobernador emitió la Orden Ejecutiva 2020-44, la cual declara que todas las escuelas deberán demorar el comienzo de las clases EN PERSONA hasta el 17 de agosto, 2020, pero las escuelas pudiesen comenzar el año escolar en su fecha regular de inicio por medio de APRENDIZAJE A DISTANCIA. El WESD está planeando abrir las escuelas el 10 de agosto. Nuestro equipo
