

The WESD Leadership participated in a statewide conference call with Governor Doug Ducey, Dr. Cara Christ from Arizona Dept. of Health Services and Superintendent of Public Instruction Kathy Hoffman. Based on the information that was provided, the WESD is following their guidance, which is to keep schools open. Dr. Christ reported that in Arizona there is minimal spread and a low risk of contamination.

We are working on communication for all employees and families that will be sent out before spral Based (0 esrn) (0) (0)
