

April 2024

Dear ALTS Parents,

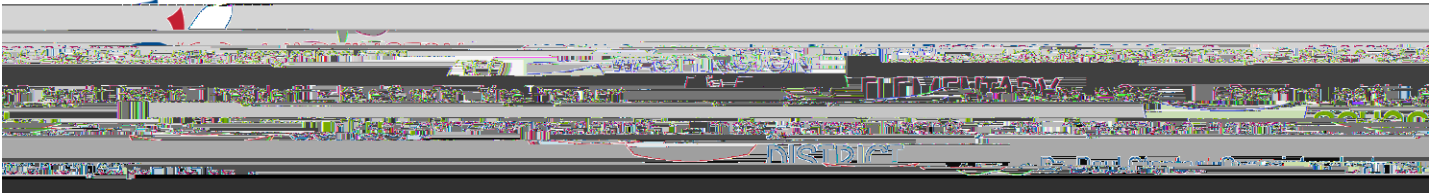

April is always such a busy month with state testing. Thank you for having your students in school on those testing days! It is amazing that we are heading into our last two months of school. We have so many exciting events ahead of us with our spring concerts, promotions and end-of-year activities. Please keep a close eye on your email to stay informed. This newsletter has great information from the District. Please read to find out all they are offering!

Respectfully,
